GUIDANCE DEPARTMENT—COURSE SELECTION INFORMATION

Registration has begun for the 2020-21 year! A series of presentations were held during the week of Feb. 10th, and students were given information about course options and the registration process.

If your child did not bring home the step-by-step instructions, you can access this resource by going to the Guidance tab on our school website. The course calendar, as well as the power points Guidance used to show students how to register, can be accessed under the Guidance tab.

Please note that our school board is now using My Blueprint in place of Career Cruising for registration and career exploration.

Please ensure the online course registration is completed at home. The Course Selection Sign-Off sheet and payment will be collected during period one on Tuesday, February 18th and Wednesday, February 19th.

MULTI-SECTOR JOB FAIR

This event takes place on Monday March 2, 2020 from 1:00pm to 6:00pm, at the AUD in Simcoe. Holy Trinity will be taking any interested students over from 1:20pm to 2:40pm. Please sign up in Guidance, if you are interested.

Any grade 12 student is welcome to sign up, but we are encouraging those students who are entering the workforce upon graduation to sign up!

We hosted a fantastic **Grade 8 Night** on January 16th. Parents and students had the opportunity to tour and discover what makes Holy Trinity unique. We are still accepting new registrations for the fall. Registration packages can be picked up in the Guidance office.

GRADE 11 PARENT INFORMATION

Grade 11 is a critical time to be doing research for postsecondary education. It is highly recommended that you review postsecondary information with your child as posted on various websites such as www.ontariouniversitiesinfo.ca (University Info), www.ontariocolleges.ca (College Info) and www.apprenticesearch.com (Trades Info).

Many universities and colleges will be hosting open houses during March break. This is a great opportunity to tour the facility potentially awaiting your hard earned dollars!

Guidance is super excited about hosting a Grade 11 college panel on Monday, April 27th. Five colleges will be coming to share information about Diploma, Advanced Diploma and Bachelor Degree Programs. All Grade 11 classrooms will be invited to attend.

NEWS FROM THE ECO TEAM

Between April 20 to May 22 we will have our annual Electronic Waste Collection. The bin will be in the back to collect large and small items. Items include: monitors, t.v.s, computers, cell phones, pagers, image, audio and video devices etc.

Students With Vehicles

Students are reminded to register their vehicle information with Ms. deHaan in the main office to park in the school lot. Students are reminded to be safe and courteous drivers around the neighbourhood and in the parking lot.

Student Uniform

Students are expected to be in full uniform when they are in the school and in classes. Students are not permitted to bring non-uniform items into the classroom. The procedure for addressing uniform issues are:

*Have the students self correct: including not bringing the non-uniform part into the classroom.

*If unable to self correct, the student will be sent to the office to call home to get appropriate uniform parts brought to school.

*Parents will be contacted for students that are persistently out of uniform. Students that need to leave class to get into uniform may be considered late as they are not prepared for class. Students may be informed that they will not be permitted to participate in the upcoming dress down day. School administration will address repeated or significant non-compliance of the uniform expectations.
