### *In-School McCarthy Uniform Shop*

*Visit our "in-school" McCarthy Uniform Shop to make it easier to get uniform pieces throughout the year. The shop is open two days per week on Tuesdays and Thursdays from 11:00a.m. to 3:00p.m.*

### **Mathematics:**

Any students currently enrolled in a grade 9 applied or academic math class will be writing the EQAO math test on Tuesday, June 13th and Wednesday, June 14th. The test is written during their regularly scheduled math class. Please avoid scheduling any appointments on those days as attendance is imperative. Good Luck.

**Reminder to all Grade 11 students: Please submit your community service hours as soon as possible as next year will be your graduating year.**

**Parents are reminded NOT to park out front before or after school. Buses need to be able to park out front during these times.**

### **REMINDER:**

**\*\*EVERY FRIDAY IS SPIRIT WEAR DAY\*\***

**Inclement Weather Notice!**

**HOLY TRINITY**

**Is ZONE I**

However, on days when buses are cancelled for a certain zone, all buses passing through that zone are cancelled. Please check the transportation website.

## **Graduation 2017**

Graduation 2017 is quickly approaching! By now the following things should be completed:

1. Registered in Moodle for participation at Graduation
2. Graduation fee paid (\$75)
3. Community Service Hours Completed and Submitted to Student Services
4. Application for Titan and School Letter Submitted to Main Office (optional)
5. Applications for Scholarships, Bursaries, and Certificates submitted to Student Services (optional) [www.trinitycatholic.ca/page/financing-your-education-o](http://www.trinitycatholic.ca/page/financing-your-education-o)

Graduation invitations and information packages will be mailed home in early May. Any student who has not completed the above tasks (1,2,3) will not receive an invitation to graduation until they are completed. Each family will be provided 4 passes for graduation. Seating is limited. The graduates do not require a pass. If your family requires an additional pass, please contact Michele Burnie in the Student Services Office to have your name added to the waiting list. If you do not require all 4 passes, please return them to Student Services so they can be distributed to families in need. If you have any questions or concerns regarding graduation for your child, please contact their Guidance Counsellor.

## **GUIDANCE NEWS**

**A Message for our Grade 12's** - Midterm marks have been submitted to both the Ontario College Application Services (OCAS) and the Ontario University Application Centre (OUAC). Students need to review their applications to ensure courses and marks listed are correct. Any problems should be **immediately** brought to the attention of the Guidance Department. Please note that community service hours are required as part of the diploma requirements for graduation and therefore essential for acceptance to college, university or work.

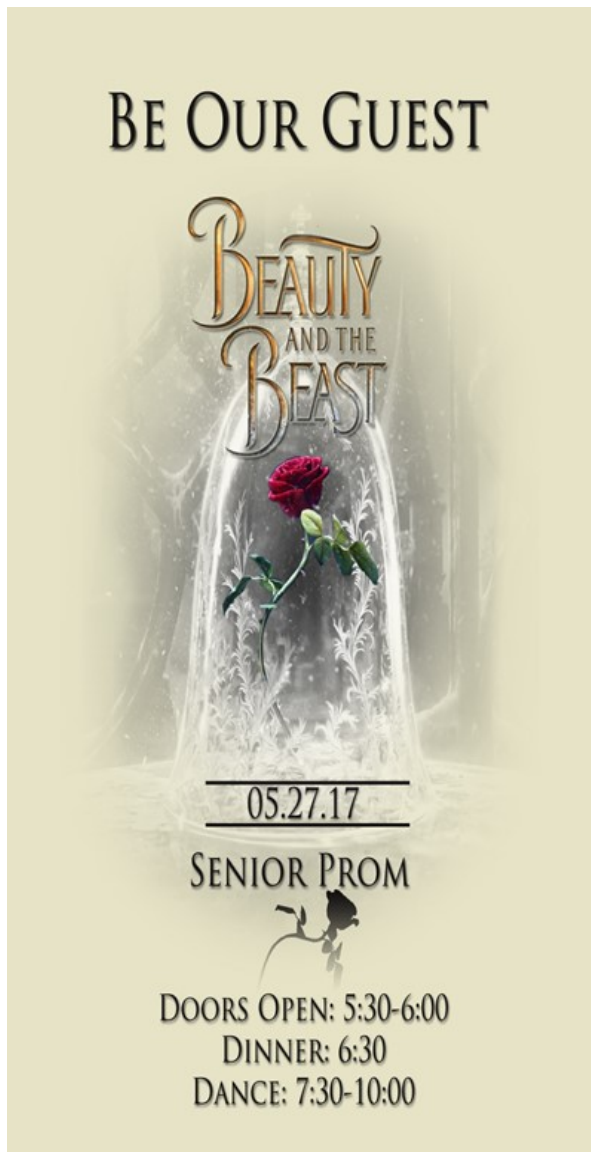

Just a reminder that the deadline to respond to a university acceptance is June 1, 2017. Responses to an offer of admission are made through [www.ouac.on.ca](http://www.ouac.on.ca). College applicants must confirm their acceptance of an offer of admission by May 1<sup>st</sup>, 2017 through [ontariocolleges.ca](http://ontariocolleges.ca).

Please have your child inform Student Services when they have confirmed their acceptance to a college, university, employer or apprenticeship program so that we may share their future plans on the bulletin board located outside of Student Services. We also need this information for the creation of a power point presentation to be delivered at the graduation ceremonies.

The Ontario Student Assistance Plan web application will be available in May. The website is [osap.gov.on.ca](http://osap.gov.on.ca).

Summer school forms are available in student services. The BHNCD SB is offering a two credit coop which will consist of a 20 hour pre-orientation requirement to be held at St. Mary's Learning Centre in Brantford on two Saturdays and Mondays after school in June. The placement component is tentatively set to run from July 4<sup>th</sup> to August 11<sup>th</sup>. Our board is also offering Gr. 12U English, Gr 11M Religion and Gr 10 Careers & Civics. Courses are on-line and must be completed in the month of July. GEDSB is also offering many summer school courses available to our students.

Please encourage your child to complete their 40 hours of community service hours as early as possible in their high school career. There are always advantages and personal satisfaction to doing more than 40 hours of community service. Your child may also be interested in applying for the Titan Award or School Letter – packages are available in Student Services and on our website [www.trinitycatholic.ca](http://www.trinitycatholic.ca).

### MUSIC EVENTS:

On Thursday, May 11th, HT's music students will be hosting their annual Spring Concert, featuring all music classes, the Intermediate and Concert Bands as well as Glee Club. The concert starts at 6:30pm in the lower cafeteria. Admission is free.

Hope to see you there.

### Titan Treasure Calendar Fundraiser

Our calendar fundraiser is currently underway. Special thanks to everyone who purchased a calendar to support this year's fundraiser. Draws will take place every Friday during the month of May. Winners will be contacted by the school and posted on the school website. Good luck to everyone.

### Earth Week and On-Going Eco-Team Initiatives:

Thank you to the eco-team, especially Claeyr Townsend and Arjun Krishna for their efforts in implementing many Earth Friendly initiatives at HT, including the Soles for Souls shoe campaign, electronic waste recycling, managing to get trees donated from Paul Gagnon from Long Point Regional Authority, as well as promoting recycling through HTTV promos. The Electronic waste bin is in our back parking lot until May 26th.

Thanks to Mrs. Townsend and the drama club who put on the production of "The Lorax" and presenting it to 3 feeder schools, to help spread the message about the importance of environmental responsibility and protection. They did a great job.

Thank you to the volunteers who helped to plant the 80 trees around the track and the classes who will be helping with our annual "pitch-in" campaign.

We would like to thank and recognize the Community Living and Pals classes as well as 2 co-op students from Job Skills who do a great service every Wednesday when they organize and collect the HT recycling. Keep up the great work! Special Recognition goes to Alyssa Gama who's enthusiasm and positive spirit helps to motivate and encourage her classmates as well as staff and students to recycle.
