# SCHOOL CLIMATE SURVEY

We would like to thank our students, parents, staff and school community for taking part in our school climate survey. By providing us with information that is important to you, particularly in the areas of school safety, inclusive education and mental-health and well-being, you effectively helped guide school planning. Together, you identified what we do well, where we could improve and what your priorities are. Here is how your feedback is making a difference.

## The survey questions that we asked:

1. What are your thoughts on your school meeting the educational needs of all of its students?
2. What are your thoughts on your school's safety?
3. What are your thoughts on how student mental health and well-being is supported in your school?

## Top feedback 'themes' that we heard are important to you:

- Transportation and Snow Days
- Wi-Fi
- Late Assignments

## Actions taken as a result of your survey feedback:

- Improved communication with the Holy Trinity community on the protocol on how snow days are called
- Discussion with Board Level IT officials on how to improve Wi-Fi at Holy Trinity
- Development of Late Assignment Policy with Department Heads and with Board Level Student Achievement Team. Policy to be consistent amongst the three high schools in BHNCD SB.
