5. Committee and Staff Reports

5.1 St. Anthony Daniel School Closure – Brant County Schools Accommodations Review

Director Roehrig commented that his report reiterated information that the Board had previously reviewed and confirmed that staff adhered to all timelines and Ministry guidelines with respect to the Brant County Schools Accommodations Review (ARC). He advised that four possible accommodation options were identified during the ARC, all of which included the closing of St. Anthony Daniel School; the options varied as to the destination of the students. He advised that should the Board proceed with the closure of St. Anthony Daniel School, a Transition Committee will be formed to ensure a smooth move of students from St. Anthony Daniel to Blessed Sacrament School. He commended members of the ARC and staff for their countless hours of work and analysis, and their due diligence to the process.

Chair Szeman declared her intention to vote on this matter and read the motions, as follows:

THAT the Brant Haldimand Norfolk Catholic District School Board approves the closure of St. Anthony Daniel School on June 30, 2014.

THAT the Brant Haldimand Norfolk Catholic District School Board approves the transfer of all St. Anthony Daniel students to Blessed Sacrament School beginning September 1, 2014.

Moved by: Bonnie McKinnon

Seconded by: Dan Dignard

Discussion ensued. Trustees raised concerns regarding projected cost savings, which was not outlined in the report, discrepancy in projected enrolment between the data available at the time of the ARC versus current enrolment projections provided in the Education Development Charges study, and the justification that was used to arrive at the decision to close St. Anthony Daniel School specifically. Trustee Dignard, trustee representative on the ARC, provided insight into the historical and background information regarding the school and the area, and commented that in his opinion, the ARC's detailed investigation and final recommendation to close St. Anthony Daniel School was a good decision, not only because it is a fiscally responsible decision, but because it takes into account the best interests of the students by ensuring viable and quality programming. The following motion was proposed:

THAT the Brant Haldimand Norfolk Catholic District School Board defer the decision on the closure of St. Anthony Daniel School and the transfer of students to Blessed Sacrament School until the October 22, 2013 Board meeting, pending the receipt of revised enrolment figures and a cost savings analysis.

5.3 Automated Meeting Management System

In response to a request from trustees to explore the concept of an automated meeting management system, Director Roehrig provided results of his preliminary research into the functionality, training and infrastructure requirements of moving towards an automated meeting management system. As the Board is currently undergoing extensive information and computer system changes in many areas, staff recommends deferring this request for a year. In response to Director Roehrig's offer to arrange a demonstration of the software, Vice Chair Petrella requested that a demo to be arranged before Christmas, and that an estimated cost for implementing an automated meeting management system be provided at that time.

Moved by: Dennis Blake

5.4 Student Trustee Report

Student Trustee Athanasiou provided an overview of a student leadership retreat held at the Michaelite Retreat Centre in London during the first week of school. The retreat brought together members of student councils from all three secondary schools where they participated in activities and presentations on communication and inclusiveness, becoming better Catholic leaders, and developing a stronger faith-based Students' Council within each respective school. She also shared information on the 2013-14 school year kick-off activities held at each secondary school. In response to Trustee Casey's inquiry regarding student opinion of the Ministry emphasis on nutritional foods provisions in school cafeterias, Student Trustee Athanasiou agreed to bring back some student feedback at the next Board meeting.

6. Statutory Public Meeting – Education Development Charges (EDC)

6.1 EDC Policy Review Public Meeting

If her introductory remarks, Chair Szeman advised that the Board's current Education Development Charges (EDC) By-Law will expire on November 2, 2013. Part of the process for passing a new by-law requires that two public meetings be held: the first to review the current EDC policies of the Board, and the second to outline the proposed by-law that the Board anticipates passing next month. Both public meetings are being conducted during the September 24, 2013 Board meeting.

Chair Szeman introduced the Board's EDC consultant, Jack Ammendolia of Watson & Associates Economists Ltd., who welcomed stakeholders and provided an overview of the Board's current EDC By-Law. Chair Szeman welcomed back Mr. Ammendolia who provided background information and an overview of the process and methodology leading to the proposed charges.

Chair Szeman then introduced the Board's legal counsel, Steven O'Melia of Miller Thomson LLP, who provided a brief summary of the proposed by-law and commented that the wording of the new by-law is substantially similar to the current by-law.

Chair Szeman left at this point in the meeting and Vice-Chair Petrella assumed the Chair for the remainder of the meeting.

Vice-Chair Petrella invited any persons present to provide their views on the background study, proposed charges or by-law. Wilf Hogeveen, 1st Vice President of the Brantford Home Builders' Association, and Don Wright, Past President, provided comments and posed several questions regarding the information that had been provided. They advised that their primary concern is to ensure that new housing units remain as affordable as possible. Discussion ensued and Mr. Ammendolia responded to requests for clarification in the areas of projected growth numbers, the consideration of mitigating factors to reduce proposed increased charges, the projected growth in the Eagle Place area, possible alternative accommodations arrangements, and reasons for the Board's current deficit position. Mr. Ammendolia added that he would readily share details of the background studies, upon request through the Board.

**ELECTRONIC COMMUNICATIONS AND
SOCIAL MEDIA POLICY**

Public Session

BACKGROUND INFORMATION:

Technology continues to move at a rapid pace. This makes the need to develop current and applicable policies, procedures and accountability measures extremely important in such a significantly-important area of the Board for both staff and students

DEVELOPMENTS:

The former *Electronic Communications* policy, approved in September 2003, was not specific or adequately detailed in a number of key areas. These areas have been revised in the current policy and procedures.

The policy has been amended to reflect the following changes:

1. The title of the policy has been changed to Electronic Communications and Social Media Use policy to reflect technological changes and advancements that have occurred since the policy was initially developed.
2. The procedure defines the responsibility of the end user based on their role within the organization.
3. Clarity regarding the expectation of privacy has been emphasized.
4. Common templates have been developed, such as a staff Acknowledgment Form and student Technology Use Agreements for Information and Communications.

The policy was vetted to all principals, managers, Information Technology staff, Board consultants and union presidents, with minor changes made to the policy and administrative procedures based on the feedback.

RECOMMENDATION:

THAT the Policy Committee recommends that the Committee of the Whole refers the Electronic Communications and Social Media Use policy to the Brant Haldimand Norfolk Catholic District School Board for approval.

Information

Network and computer systems are the property of the Brant Haldimand Norfolk Catholic District School Board. As such, they should be used for Board purposes only. Use of the network is considered consent to the Board's Electronic Communication and Social Media Policy and to management's right to review correspondence.

The Board network and computer systems are provided for the use of students, teachers, staff and administrators in support of programs of the Board and are to be used for education, research, academic development and Board-related business only.

Commercial uses of Board network and computer systems are specifically excluded. All students, teachers, staff and administrators are responsible for ensuring that computing facilities are used in an effective, efficient, ethical and lawful manner.

The Board assumes no liability and is NOT responsible for the:

- appropriateness of Internet content.
- accuracy or reliability of information located on the internet.
- loss, damage or inaccessibility of information due to technical or other difficulties or costs or losses incurred by users.

Email is not private communication because others may be able to read, access and monitor email (email may best be regarded as a postcard rather than as a sealed letter). The Board may monitor and access email communication in a reasonable manner to;

- maintain and ensure the efficient use of the Board's email services.
- ensure compliance with Board policies and acceptable use.
- assist the user in the event of prolonged absence.

The Brant Haldimand Norfolk Catholic District School Board retains ownership, control and copyright over any work-related items created, composed or otherwise developed using Board technology resources; unless specifically waived or transferred in writing. Confidentiality

No Expectation of Privacy:

Users should not expect privacy with respect to any of their activities when using the Board's computer and / or telecommunication property, systems or services. Users should be aware that the use of passwords or account numbers does not create a reasonable expectation of privacy and confidentiality of information, which has been maintained or transmitted. The Board reserves the right to review, retrieve, read and disclose any files, messages or communications that are created, sent, received or stored on the Board's computer systems and / or equipment. It is the Board's right to monitor or review all information, which has been maintained or transmitted using the Board's computer and / or telecommunication systems or services for the purpose of ensuring the security and protection of business records, preventing unlawful and / or inappropriate conduct and creating and maintaining a productive work environment

System administrators or other support technicians may need to access user files or electronic communication and social media accounts in the normal course of their employment when necessary to protect the integrity of computer systems.

If policy violations are discovered, they will be reported immediately to the appropriate system administrator. The Administrator is not permitted to, intentionally, see or read the contents, to read document information where not germane to the foregoing purpose or disclose or otherwise use what they have seen, unless authorized by a Senior Administrator of the Board. One exception, however, is that of systems personnel who may need to inspect a damaged document in an effort to restore its contents. This exception is limited to the least invasive level of inspection required to perform such duties. Furthermore, this exception does not exempt technicians / system administrators from the prohibition against disclosure of personal and confidential information, except insofar as such disclosure equates with good faith attempts to restore the otherwise unusable document.

In respect to trustees, if policy violations are discovered or suspected, access to trustee accounts must be approved by the Director of Education and the Chair of the Board in writing. Any offense, which violates local, provincial or federal laws, will be referred to the appropriate supervisory officer and / or law enforcement authorities and may result in immediate loss of all Board computer privileges.

Electronic Communication and Social Media Procedures:

- Individuals who use the Board's electronic communication services are expected to do so responsibly. That is, to comply with local, Provincial and Federal laws, to comply with this and other policies and procedures of the Board and to comply with normal standards of professional and personal courtesy and conduct. Access to the Board's electronic communication services is a privilege that may be wholly or partially restricted by the Board; without prior notice and without the consent of the user when required by and consistent with law, when there is substantiated reason to believe that violations of policy or law have taken place or, in exceptional cases, when required to meet time-dependent, critical operational needs.
- Staff and students are not permitted to access, participate, transmit or save material that does not comply with the Mission, Beliefs, Gospel Values and policies of the Brant Haldimand Norfolk Catholic District School Board.
- Board electronic communication services may not be used for unlawful activities, commercial purposes, personal financial gain and correspondence inappropriate to educational or business purposes.
- Board communication users shall not employ a false identity. Electronic mail bears a number of marks of identification, i.e., domain addresses, which are traceable back to the Board.
- Board communication services shall not be used for purposes that could reasonably be expected to cause, directly or indirectly, excessive strain on any computing facilities or unwarranted or unsolicited interference with others' use of the communication systems.
- Users should be aware that during the performance of their duties, network and computer operations personnel and system administrators need from time to time to observe certain transactional addressing information to ensure proper functioning of Board communication services, and on these and other occasions, may inadvertently see the contents of electronic messages. They are not permitted to see or read the contents intentionally; to read transactional information where not germane to the foregoing purpose; or disclose or otherwise use what they have seen. One exception, however, is the System Postmaster who may need to inspect electronic messages when re-routing or disposing of otherwise undeliverable e-mail. This exception is limited to the least invasive level of inspection required to perform such duties. Furthermore, this exception does not exempt Postmasters from the prohibition against disclosure of personal and confidential information of the previous paragraph, except insofar as such disclosure equates with good faith attempts to route the otherwise undeliverable e-mail to the intended recipient. Re-routed mail normally should be accompanied by notification to the recipient that the e-mail has been inspected for such purposes.
- Users of electronic mail or social media services should be aware that although the sender and recipient have discarded their copies of an electronic record, there may be back-up copies that can be retrieved. Systems are *backed-up* on a routine basis to protect system reliability. The storage media may be retained for periods of time and in locations unknown to the originator or recipient of electronic mail or social media services.
- During normal business hours, email and social media communication may only be used for valid work-related or educational reasons. Email and social media communication should not be used to solicit or to advocate non-Board or purely personal interests. Foul, offensive, defamatory, pornographic or other inappropriate communication is prohibited.
- The employer reserves the right to monitor the e-mail network at any time, without prior notice, to ensure that system is being used for Board purposes only.

- The inadvertent disclosure, accidental transmission to third parties or purposeful re-transmission to another user's internal mailing list can occur in email systems. Users should take reasonable precautions to ensure this does not occur.
- Confidentiality rules for regular mail should be followed for email messages. Disclosure to unauthorized persons is prohibited.
- Electronic messages take up storage space and affect system performance, so users should always delete or save messages to media. Always keep messages remaining in your electronic mailbox to a minimum.
- Be professional and careful about what you say to and about others. Email and social media communication is easily forwarded and shared.
- Misinterpretation of an email message may occur. What was meant as a casual or humorous message can be taken other than intended because body language and tone are missing from the message. Without face-to-face communications, your joke may be viewed as criticism.
- Limit message attachment size and content. Do not use the electronic communication system to transfer large files, i.e., graphics, software, database files, etc. Always note in the body of the message the file format and software version of the attached file to help facilitate access to the attachment.
- Do not use your access or the network in such a way that you could disrupt the use of the facilities by other users.
- At the first indication of a virus, immediately stop the use of the electronic communication service and notify Information Technology technical support. Deliberate transmission of viruses is strictly prohibited.
- An email message can be a record if made or received in connection with the transaction of Board business and must be retained in accordance with the Record Retention Guidelines of the Board and the Freedom of Information and Protection of Privacy Act (MFIPPA). Individual users are responsible for keeping and archiving their own business-related email. Retention of these files is subject to Ontario Provincial laws.
- The Board is obligated to keep records for set periods of time to satisfy statutory, legal, audit, administrative or historical needs.

Conduct which violates this Policy and Procedure includes, but is not limited to:

- Unauthorized use of an electronic communication or social media account.
- Deliberately wasting / overloading computing resources, such as emailing many copies of a document.

- Knowingly provide school email addresses to outside parties whose intent is to communicate with school employees, students and / or their families for non-school purposes.

HIRING - ACADEMIC STAFF
Public Session

BACKGROUND INFORMATION:

The Board policy in relation to Hiring Academic Staff was adopted in 2004 and revised in 2011. Over that time, the Board has adhered to policy and maintained our commitment to hire and promote qualified and certified teachers who are practising Catholics with a demonstrated commitment to Catholic education. Recent changes to provincial regulations required minor changes to the policy.

DEVELOPMENTS:

In September 2012, the government of Ontario enacted Regulation 274/12 – Hiring Practices which outlines specific regulatory prescription regarding the hiring of teachers to long term occasional and permanent teaching positions. Although we will maintain our commitment to fair hiring based on Catholicity, qualifications, experience and merit, we will also adhere to the requirements of Provincial Regulation 274.

This policy was vetted by trustees, managers, senior administrators, and principals with the specific change of recognizing the enacting of Regulation 274.

RECOMMENDATION:

THAT the Policy Committee recommends that the Committee of the Whole refers the Hiring – Academic Staff Policy to the Brant Haldimand Norfolk Catholic District School Board for approval.

BOARD BY-LAWS

Public Session

BACKGROUND INFORMATION:

As per Board Policy, the Brant Haldimand Norfolk Catholic District School Board developed By-Laws in relation to the conduct, operational and procedural affairs of the Board. The By-Laws were enacted in 1998 and were amended in 2003, 2005, 2007, 2008, 2009 and 2010.

The Board By-laws were last revised on May 25, 2010. Over the course of several Policy Committee meetings during 2011-12 (October 13, February 29, April 10 and April 23), the by-laws were reviewed and edited by trustees. Approval of the proposed revised by-laws had been delayed pending a decision regarding possible revisions to the Code of Conduct. The revised By-Laws are now being presented for final review and approval.

DEVELOPMENTS:

The proposed changes to the Board By-Laws are largely due to requirements for Boards to create local audit committees and to deal with other changes in statutes and regulations (such as Supervised Alternative Learning and Board Electronic Meetings). The revisions align the By-Laws with the legislation in terms of the duties of the Chair of the Board, as well as address committee membership.

Lastly, there were a number of minor changes made such as changes to the title of supervisory personnel, current practice for the composition of the Board meeting / Committee of the Whole meeting agendas, and clarification on notices of motion. Additions are noted in red font and deletions as strike-outs.

- 7.2.3 The Chair or other Presiding Officer shall preserve order and decorum and decide upon all questions of order.
- 7.2.4 In the absence of the Chair and Vice Chair for any cause, the Board may, from the members present thereof, appoint a Presiding Officer who, during such absence, shall have the powers of the Chair of the Board.
- 7.2.5 The Chair or person presiding may vote on all questions and shall declare this intention after the motion is put to the floor.
- 7.2.6 A tie vote is a lost motion.

- 7.2.7 Should the Chair elect to vacate the chair to take part in any debate or discussion or for any other reason, he/she shall call upon the Vice Chair or in his/her absence, one of the members to fill his/her place until he/she resumes it.
- 7.2.8 Where a question is before the Board, the mover may speak first and the seconder may speak next, and the Chair will make every attempt to allow each person wishing to speak, the opportunity to speak once before any member may speak for a second time. The mover also has the prerogative to be the last speaker before the question is decided and the seconder shall be the second to last speaker.
- 7.2.9 No member shall speak for more than five minutes or more than three times on the same question without the permission of the Chair.
- 7.2.10 Whenever an adjournment takes place in consequence of there not being a quorum present, the time of adjournment and the names of the members present shall be entered in the records of the Board.

- 7.3.2 When a motion has been stated by the Chair, it shall be open to debate and shall be disposed of only by a vote, unless the mover, by permission of the seconder, withdraws it, in which case such motion shall not appear in the minutes of the meeting.
- 7.3.3 Any Trustee of the Board may require the question under discussion to be read at any part of the debate, but not so as to interrupt a speaker.
- 7.3.4 A Trustee, prior to speaking to any question or motion, shall address the Chair. The Trustee shall confine remarks to the question at hand.
- 7.3.5 When two or more Trustees wish to speak at the same time, the Chair shall name the Trustee who is to speak.
- 7.3.6 No Trustee shall be interrupted while speaking, except in a case where the Trustee is called to order by another Trustee for a transgression of rules of the Board, in which case the Trustee shall remain silent until the point of order has been decided by the Chair.
- 7.3.7 Where a Trustee wishes to make a point of order or to seek clarification, he or she should so indicate in addressing the Chair and the Chair will rule on such matters before the next speaker is allowed to speak.
- 7.3.8 When the question under consideration contains two or more distinct propositions, any particular proposition, upon the request of any member, shall be considered and voted upon separately.

- 7.3.9 No question, once decided by the Board at a regular meeting, shall be reconsidered during that meeting unless someone on the affirmative side requests by motion that Trustees reconsider the pass motion, which is seconded and will take a two-thirds majority to reconsider.
- 7.3.10 If it is desired to defer action on a question until a particular time, the proper motion to make is “to postpone it to that time”. This motion allows limited debate, which must be confined to the propriety of the postponement to that time; it can be amended by altering the time, and this amendment allows the same debate.
- 7.3.11 Whenever a motion has been made and seconded, it is the duty of the Chair, if the motion is in order, to state the question, so that the members may know what question is before them.
- 7.3.12 In stating the question on an amendment, the Chair should read the passage to be amended; the words to be struck out, if any, the words to be inserted, if any; and the whole passage as it will stand if the amendment is adopted.
- 7.3.13 The motion to adjourn is not debatable, it cannot be amended, or have any other subsidiary motion applied to it, nor can a vote on it be reconsidered.
- 7.3.14 If a Trustee does not put new motions or amendments in writing for the Chair, the motion as stated by the Chair and recorded by the secretary shall be the motion.
- 7.3.15 When a motion is under debate, the only motion in order shall be:
- to adjourn,
 - to lay on the table,
 - to put the previous question,
 - to postpone,
 - to refer,
 - to amend, and
 - to vote on the present motion.

Such motion shall have precedence in the order above named; and the first, second and third shall be decided without debate.

A question having been postponed indefinitely shall not be taken up again at the same meeting without a two-thirds (2/3) vote in favour.

7.4 Amendment(s) to Motion:

7.4.1 An amendment may be in any of the following forms:

- a) to “add” or “insert” certain words or paragraphs;
- b) to “strike out” certain words or paragraphs, and if this fails it does not preclude any other amendment than the identical one that has been rejected;

- c) to “strike out certain words and insert others”, which motion is indivisible, and if lost does not preclude another motion to strike out the same words and insert different ones;
- d) to “substitute” another resolution or paragraph on the same subject for the one pending; or
- e) to “divide the question” into two or more questions as the mover specifies, so as to get a separate vote on any particular point or points; If an amendment is defeated, vote on the motion. If an amendment is carried, vote on the amended motion.

7.4.2 No more than three (3) amendments can be made to a motion.

7.5 Notices of Motion

7.5.1 Notices of motion on new matters are required from trustees to give trustees the benefit of advance consideration by themselves and administration before any decision is to be made. No new decisions will be entertained unless a written notice of motion has been provided on new matters at a previous meeting or by way of inclusion in the agenda. Notices of Motion will be given to the Secretary and Chairperson of the Board to include as an item in the agenda of a regular meeting no less than seven calendar days prior to the meeting, or communicated in writing at a previous regular meeting.

7.5.3.3 Before any discussion shall take place at the meeting at which a Notice of Motion is presented as a Proposed Resolution, a Trustee must second it. The number of Notices of Motion, which are presented as Proposed Resolutions at any single meeting, shall be limited in number at the discretion of the Chair.

7.5.3.4 Notices of Motion, which are not presented for discussion as Proposed Resolutions at the meeting, shall be presented at the next regular meeting.

7.5.3.5 Notices of Motion, which require reports or information, shall be presented to the Board without any written reports by any of the senior officials. However, such persons may be permitted to make oral statements relating to these Notices of Motion at the time of presentation.

- address all debate, remarks, questions and the like to the Chair;

- on a point of order;
- on a question of privilege;
- to request permission to withdraw a motion;
- to appeal a ruling of the Chair;
- on a motion to extend the time limit; and
- in the event that a Trustee interrupts a speaker pursuant to the authority given in this section, the Trustee shall confine all remarks to the particular point.

7.6.5 A Trustee may rise on a point of information, that is, a request for information relevant to the matter on the floor but not related to preliminary procedure, only if the member then speaking consents to the interruption, in which case the time consumed in responding to the point of information will be included as part of the speaker's allotted time.

7.6.6. Any member of the Board may require the question/motion under discussion to be read at any time in the debate, but not so as to interrupt any member while speaking.

- a) By general or unanimous consent, in which the Chair, exercising discretion, states that the motion will be adopted in the absence of objection.

- a) Determination by general or unanimous consent will be used only when no trustee eligible to vote objects or requests another method.
- b) Notwithstanding that a show of hands vote has been called for and has been taken, on the request of any Trustee eligible to vote, including the Chair, a rising vote will be taken whenever there is any doubt as the accuracy of the count on the show of hands; and

BOARD GOVERNANCE

Public Session

BACKGROUND INFORMATION:

The Board Governance Policy was initially approved on April 24, 2001 and has not been revised. The Board Governance Policy provided clarity regarding the role of the school board in setting its own by-laws.

DEVELOPMENTS:

In 2009, the Government of Ontario passed legislation that further articulated the roles of school boards, particularly with respect to Codes of Conduct. The current Code of Conduct is now referenced in this policy as per Bill 177.

The revised policy was vetted by trustees, principals, managers, School Advisory Council Chairs and the Chair of the Regional Catholic Parent Involvement Committee. No feedback was received.

RECOMMENDATION:

THAT the Policy Committee recommends that the Committee of the Whole refers the Board Governance Policy to the Brant Haldimand Norfolk Catholic District School Board for approval.

Based on our 2012-13 student enrolment of 9,742 ADE (Average Daily Enrolment), the membership fee for this year is \$45,228. In addition, a special F.A.C.E. levy for promoting and protecting Catholic education has been added for the 2013-14 school year. The F.A.C.E. levy is calculated at 9.4 cents per pupil, for a total of \$916.

**ST. ANTHONY DANIEL SCHOOL CLOSURE
BRANT COUNTY SCHOOLS ACCOMMODATION REVIEW**
Public Session

BACKGROUND INFORMATION:

The Pupil Accommodation Review Policy and Procedure states that a group of schools facing challenges in providing a suitable and equitable range of learning opportunities for students may be considered for an Accommodation Review. In a report to the Brant Haldimand Norfolk Catholic District School Board from Watson and Associates Inc., dated September 15, 2011 regarding *Demographic and Enrolment Trends 2011 to 2025*, Watson & Associates identified that the Brant County (less Brantford / Southwest Paris) review area was experiencing a decline in elementary enrolment. This decline is supported by demographic information highlighting a declining elementary student yield per household. In addition, Watson & Associates indicated that there is very little development projected for this review area over the 15-year forecasted period.

The following table summarizes the actions of the Board in relation to the Pupil Accommodation Review of Brant County.

DEVELOPMENTS:

Enrolment and Utilization

With the exception of Holy Family School, Paris, all schools in Brant County will continue to be under-utilized, which indicates inefficient use of facilities and school organizations.

Enrolment projections for the schools in Brant County are provided in the following chart based upon analysis by Watson & Associates, Enrolment Projections by School based on School Boundaries and Reflective of Historical Building Permit Issuance issued October 3, 2013. Appendix A includes enrolment and utilization data that was used by the ARC.

| OTG 201 | Utilization: | 0.69 | 0.71 | 0.74 | 0.69 | 0.61 | 0.60 |

OTG - On the Ground School Capacity

Using the updated enrolment values, for the 2013-14 year, Blessed Sacrament School enrolment is at 57% of capacity and will fall to 51% by 2025-26. St. Anthony Daniel School enrolment is at 59% of capacity and will fall to 56% of capacity by 2025-26. By transferring the St. Anthony Daniel School students to Blessed Sacrament School, the utilization at Blessed Sacrament School will be at or above 86% throughout the 15-year study period. By combining the schools, Blessed Sacrament School will be better able to provide more optimal use of space and staff and will allow for better learning opportunities and programming for these students.

Implementing both recommendations will result in an enrolment and utilization rate for Blessed Sacrament School, inclusive of the students from St Anthony Daniel School, as follows:

| Program | | 2012-13 Actual | 2012-13 Watson | 2013-14 Actual | 2016-17 Watson | 2021-22 Watson | 2025-26 Watson |
|-------------------|------------------|---------------------------|---------------------------|---------------------------|---------------------------|---------------------------|---------------------------|
| Blessed Sacrament | Total Enrolment: | 117 | 132 | 129 | 210 | 198 | 205 |
| OTG 227 | Utilization: | 0.51 | 0.58 | 0.57 | 0.93 | 0.87 | 0.90 |

St. Anthony Daniel School is one of the smaller schools that was included in the ARC. There is physical space in Blessed Sacrament School to receive incoming students from St. Anthony Daniel School. It was important to parents to have students transition together to their new school. The relative small physical size of St. Anthony Daniel School could result in an inability to move students to this school should another school close.

School Organization and Class Sizes

It must be noted that enrolment at three schools (St. Anthony Daniel School, St. Theresa School and Blessed Sacrament School) has declined over the past several years. This declining enrolment has led to the effect of creating small class sizes in these schools relative to the more populous schools. In particular, this ongoing decline in enrolment has made it increasingly challenging for St. Anthony Daniel School to offer a straight or twin grade structure. During the 2012-13 school year, triple grades were discussed and this issue continues to remain a challenge. Bringing school communities together will greatly minimize the triple-grade challenge in the future as classes will be larger and learning opportunities offered to students will be enhanced.

Of the schools studied in Brant County and using September 2013 enrolments, St. Anthony Daniel School has the lowest average class size in both Grades 1-3 and Grades 4-8 ranges. As a comparator, the Grades 4-8 class size average Board-wide is 25.5 students and St. Anthony Daniel School currently has a Grade 4-8 class size average of 19.0 students.

Parish Relations

As a receiving school for St. Anthony Daniel School students, Blessed Sacrament has a local Parish adjacent to the school; therefore Blessed Sacrament School will be able to continue to offer close school/parish connection and community.

Financial Implications

Should St. Anthony Daniel School close, whereby students are assimilated into Blessed Sacrament School, cost savings will be realized. Referencing Appendix B attached, should St. Anthony Daniel School close, the total operational cost savings in the first year would approximate \$326,517; taking into account one-time costs associated with the schools' consolidation. After the first year, the ongoing savings to the Board would approximate \$341,317.

With respect to the Facility Condition Index (FCI) of the schools in the Accommodation Review, St. Anthony Daniel School has the most significant capital needs over a ten-year period. From a capital perspective, the school requires approximately \$0.7 million in critical items identified for replacement and upgrading. These critical items are identified as Urgent or High in the Ministry building condition software. These items include replacement of the main distribution panel electrical system, repairs to Siporex structural panels, replacement of the septic tank and replacement roof coverings in portions of the building. In addition, the Ministry Audit performed in the summer of 2012 identified an additional \$0.8 million of lower ranking capital work identified within the Ministry's five-year tactical window. Should St. Anthony Daniel School close, the capital allocation for this School will be redistributed within the system. In addition to the capital savings, the School would also generate revenue through disposition. The fair market value of the School has not been ascertained at this time. As a reference, St. Jean de Brébeuf School sold for \$425,000 in 2012.

Staff supports the Accommodation Review Committee recommendations as are written in the School Accommodation Report submitted February 26, 2013.

The Board has met all of the requirements of Policy 400.16 and the Ministry of Education Pupil Accommodation Review Guidelines.

Should the Board approve the consolidation of St. Anthony Daniel and Blessed Sacrament Schools, Policy 400.16 requires that a School Integration Process be implemented.

RECOMMENDATION:

THAT the Brant Haldimand Norfolk Catholic District School Board approves the closure of St. Anthony Daniel School on June 30, 2014.

THAT the Brant Haldimand Norfolk Catholic District School Board approves the transfer of all St. Anthony Daniel students to Blessed Sacrament School beginning September 1, 2014.

REGIONAL PARENTS REACHING OUT GRANT PROPOSAL

“EVERY FAMIY ENGAGED: Nurturing Resiliency for Life and School Success”

1. Brief Descriptor

Building on the success of our 2012-13 Regional PRO Grant menu of activities, the Catholic Education community in southwestern Ontario will continue to engage and support parents they are better equipped to foster the spiritual, physical, social, emotional and intellectual development of their children.

2. What are the goals and objectives of your project?

Goals

Engaged parents will:

- Provide knowledge, skills, tools and encouragement for a strengths-based, holistic framework to develop resiliency in children and youth
- Provide an opportunity to network with other families
- Create a welcoming environment focused on Belonging
- Recognize the opportunities offered through the partnership of Catholic schools and the Catholic Community of Southwestern Ontario to support, form and educate their children
- Understand and engage in developing protective factors for children and youth
- Enhance parent involvement with their child’s learning and faith formation to support student well-being and increase student achievement and success
- Assist parents to deepen their understanding of their role as the most important educators of their children

3. Why is this project important? Who will benefit from this project and how?

Children and families are being challenged today as never before by rapid changes in society, technology and the global economy. The media also constantly reminds us of the daily risks and dangers facing our kids, such as school failure, teen pregnancy, stress, suicide, obesity, drug abuse, crime and violence.

Today, a growing number of concerned parents, teachers and other adults are seeking the very best strategies available to empower children and youth to succeed in these challenging times.

Researchers studying highly resilient children and youth have identified the protective factors that are in place to overcome risks and adversity of all kinds. Parents, teachers and other caring adults can help children and youth acquire the inner strengths (positive beliefs, attitudes and self-discipline) and provide the external supports (strong connections to family, school and community) needed to thrive in the 21st century.

Children, youth and families from the four English Catholic School Boards within the London Diocese will benefit:

Huron Perth Catholic School Board
London District Catholic School Board

Brant-Haldimand Norfolk Catholic School Board
St. Clair Catholic School Board

Parents who are new to the Catholic education system and those from a large geographic area will benefit. The education system often becomes a primary connector of immigrant and new families as well as families of children with special needs. This project promotes further opportunities for engagement of these families, providing supports and stability.

4. How will this initiative enhance parent engagement in support of improved student achievement and well-being?

The studies on Resiliency demonstrate that the more assets young people possess; the greater the opportunities for them to arrive at school each morning prepared to engage. These same studies also demonstrate that the more assets young people possess; the less likely they are to participate in risk taking behaviours.

The research, by Dr. Wayne Hammond and Dr. Ungar, has identified the essential internal and external assets children and youth require in order to develop in a healthy manner.

(See *Youth Resiliency Framework* <http://www.resiliencycanada.ca/index.php/resiliency-framework>
Literacy and Numeracy Secretariat, *What Works? Research into Practice, February 2010, Bolstering Resilience in Students: Teachers as Protective Factors*

the Learning Partnership *Professional Development Models for Educators, Students, Parents and the Community* <http://www.thelearningpartnership.ca/page.aspx?pid=819>)

Parents will deepen their understanding of the irreplaceable role they play in intellectual, emotional, physical and spiritual development of their children and be offered an opportunity to obtain some practical tools for fostering resilience in their children and promoting a healthy, happy home life, even in the face of adversity. The efforts sponsored by this Grant proposal will introduce the parent community to specific, measurable indicators they can integrate into family life both in the short term and long term. Engaged parents leads to engaged children and youth; engaged children and youth are healthier, have higher avoidance rates of at-risk behaviour and consistently perform stronger academically.

Based on the principle that it's difficult to give what you don't already possess yourself, there are some basic but key challenges that parents face today that they need support with in order to be nurturers of resiliency. This grant application will provide multiple points of engagement and invitation which culminate in Parent Community Opportunities (Parenting workshops).

- promote communication strategies for parents and their children
- promote engagement of parents in our schools
- Provide resource and strategies for healthy family development

5. What are the regional and/or provincial implications of your project?

This project will build on a successful model, implemented in 2012-13 to provide a cohesive and consistent opportunity to engage parents across the south western Ontario region. This will help to

create knowledge exchange and continue to build capacity across Catholic School Boards, District School Council Parent Involvement Committees and our Diocesan and Parish partners to enhance the family in supporting the well-being of our children and youth and their school success. A common framework will make explicit the connections between the school boards and their Board Improvement Plan for Student Learning and Achievement and Parent Engagement initiatives with the Ministry focus as well as the provincial and national mental health and well-being strategies in partnership with the community.

6. How does your project relate to one of the four project categories?

Our project relates in several ways:

- It engages parents as partners.
- It creates a welcoming environment across the Regional Catholic School Boards and provides a distinctive focus in partnership with our Catholic community partners.
- It expands our collective outreach strategy to parents.

7. How are you going to meet your goals and objectives? Please describe what you will do, when you will do it, who will do it, and what results you expect. If you are planning an event, please provide a draft agenda as an appendix.

A Steering Committee has been established comprised of District School Council representatives from each region, Diocesan and Parish representatives and the Institute for Catholic Faith Formation. The Steering Committee will finalize the format for the three gathered sessions (one in the fall, winter and spring), the communication strategy, and evaluation. This format will be repeated in each of the geographic regions in order to enhance participation, remove barriers and maximize engagement of families. This will also enable a localized response based on identified need.

Sessions will be hosted in each of the regions: Chatham, Sarnia, London, Stratford, St. Thomas and Simcoe.

The objective and goals of the project are identified above. In addition families will:

- Identify the challenges facing children and youth
- Learn to help children and youth develop a resilient mind-set
- Develop positive beliefs and optimistic attitudes
- Learn effective communication skills that build positive relationships
- Complete a family faith inventory and develop a family specific action plan for goal setting, motivation and creating a positive future
- Increase protective factors for resiliency and well-being
- Understand the critical importance of parental support in developing resiliency and the relationship to school success
- Understand and apply positive parenting strategies that impact student achievement including play-based activities, conversation and fun
- Enhance culture of caring, inclusion and support for children, youth, and families mental health and well-being
- Increase parent engagement with school based support teams and staff

8. How will you know if you meet your goal? Please describe how you will evaluate the success of your project.

- Evaluation to be completed by all participants.
- Number of participants will be tracked.
- Results will be collated and inform future parent engagement opportunities.

Other outcomes will include:

- Enhanced engagement of families.
- Reduced incidences of bullying, increased inclusion.
- Increased sense of belonging as measured through local School Climate Surveys and Parent Engagement Surveys.

10. Could you please describe your experience in successfully implementing and completing projects aimed at engaging parents to support their children's learning.

We have had tremendous success with our 2012-13 Regional PRO grant activities. In total we have touched all of our families with non-gathered supporting activities and had close to 750 participants for gathered events. We are very proud of the strong foundation we have laid and encouraged by the participation rates and positive feedback we have received from parents indicating that this has been a tremendous support to them in their parenting and faith life.

STUDENT TRUSTEE REPORT

Public Session

BACKGROUND INFORMATION:

The student senate held its first official meeting of the 2013-14 school year on October 15, 2013.

DEVELOPMENTS:

The meeting began with introductions on the role of the student senate. The senate discussed the different retreats and symposiums held throughout the year, and talked about what we wanted to do differently or change. The senate was asked to bring ideas to the next meeting on what it would like to accomplish in the upcoming year. Kyle Schell of Holy Trinity was elected the Alternate Student Trustee.

SCHOOL NEWS:

Assumption College held its first Homecoming Dance on September 28, 2013 and it was a success. From October 15-18, the school hosted its first-ever Spirit Week, with the week featuring a pyjama day, wacky day, spirit day, and sweatpants day. On spirit day, ACS students participated in a school-wide Lip Dub. 'Time Warp' will be the theme of their Halloween Dance to be held on October 30. The school is also participating once again in the Halloween for Hunger campaign, with non-perishables to be donated to the Society of St. Vincent de Paul.

St. John's College held their first pep rally on October 17, 2013 where they introduced their sports teams and had students playing various games. They will be hosting their Halloween Dance on October 23, with the theme of 'Fright Night'. At the dance, a Haunted House will be set up for the students to enjoy.

Holy Trinity participated in the Norfolk Fair and came in second place out of the five schools. They are currently planning their Halloween for Hunger campaign. They are also beginning to focus on their upcoming event of Coffee House, where musical students in the school can showcase their talents.

RECOMMENDATION:
