

Want to graduate high school and start college? Need a little help?

## *School Within A College {SWAC}*

*"I got my high school diploma  
with help from **SWAC**."*

*"I started to earn College credits  
with help from **SWAC**."*

**SWAC** is a dual credit program that provides senior high school students an opportunity to complete post-secondary credits on a college campus while completing their high school diploma.

Are you between the ages of **17** and **21**? In your last year of high school, and have **20+** high school credits? Contact us today!
